READY TO SERVE READY TO LEAD

Protect & Serve America is an organization comprised of dedicated members of our nation's law enforcement and criminal justice communities, active and retired, who are committed to serving their country through international peacekeeping efforts to bring

democracy and the rule of law to post-conflict nations, and to assist in combatting global terrorism to protect the homeland.

STANLEY L. KNEE
SENIOR LAW ENFORCEMENT ADVISOR
A former police officer who rose through the ranks to become the Police Chief of Austin, Texas, Stan also served his country as both a soldier in Vietnam, and most recently as a Police Contingent Commander in Afghanistan.

ABOUT POLICING MISSIONS

Since 1994, law enforcement officers, as well as prosecutors, judges, corrections and court administrators, have participated in international policing missions across the globe. Currently, there are more than 1,000 experienced professionals serving their country

in such places as Eastern Europe, Africa, Asia and the Middle East. They mentor and advise their foreign counterparts in law enforcement, corrections and court administration operations. Although each mission is unique, often this involves rebuilding entire police departments and criminal justice systems.

PSA HAS BEEN TASKED WITH BOTH IDENTIFYING AND SELECTING “AMERICAS FINEST” TO REPRESENT THEIR COUNTRY IN THESE CRITICAL INTERNATIONAL PEACEKEEPING MISSIONS. SUPPORTING DEMOCRACY AND THE RULE OF LAW IN TARGETED REGIONS AROUND THE WORLD IS A REWARDING EXPERIENCE FOR THOSE PATRIOTIC PROFESSIONALS WHO CHOOSE TO “SERVE AND LEAD.”
